Accommodation information

July 3-6, 2017

Université catholique de Louvain, Louvain-la-Neuve, Belgium

I. Staying in Louvain-la-Neuve

Regarding accommodation in Louvain-la-Neuve, you can stay at hotels or select other private accommodation alternatives. Since the options available are limited you may consider staying in nearby towns, like Wavre and Ottignies where there are plenty of options. We strongly suggest choosing one of these options. However, other alternatives in Brussels also exist.

The tourism office has a dedicated page devoted to accommodation that you can explore [here](#) if needed.

II. List of hotels

We have negotiated special rates with several hotels in the area if booked before April 30th, 2017. To make a reservation at the best rate make sure to book as soon as you register to the conference. Local transportation will be organized between these hotels and the campus (about 15-minutes ride). **Please note that online booking is not allowed to benefit from the special conference fares included below. You can book the hotels below directly via email using the addresses included under each hotel name. When making the reservation, please include the following code to the hotel: UCL-EMES.**
